

## What makes a great company?

Listening to your clients

Managers enjoying what they do to perform at their best and Deliver the project

# Capital and City Interiors

capitalandcityinteriors.com

Clients want Delivery, Quality, Innovation and cost control for the development of their assets.

**We deliver**  
Building our Clients reputation

Come fly with us

The Gift of Life

Insure and Go

Blood bank

Dorms

Open Heart

Direct labour

In House M&E

Speed : Time : Value : Control

*"Judge us on performance"*  
Capital and City give 120%

Challenging our competition to provide clients with real value for money choice

Off the book

Far from the Madding crowd

Space the final frontier

The most important part of any business is its clients

Get it right for the client, look after their team. **Client first and always.**

On this principal our company has grown for nearly 40 years. *Terry Gannon*, Group MD.
